Toric IOL – clinical experience
Customizing outcomes in cataract surgery
Biometry & MFIOL patient selection
<b>Break</b>
Case Study Workshops
Not as predicted...
Summary and Close

**Peter Wilson** trained at Aberdeen University and completed a PhD in surgery in Dundee, before switching to ophthalmic research, and a training programme in ophthalmology. In 2014, Peter was the fellow for cornea and anterior segment at the University of Auckland. This role involved an extensive clinical and surgical workload, with exposure to complex and novel procedures in a tertiary centre of excellence. During his training Peter acquired advanced experience in complex cataract surgery, corneal transplant and trauma repair. Since 2015, Peter has been working as a Consultant Ophthalmologist in NHS Fife and Forth Valley.
